PRESS RELEASE

For Immediate Release

April 21, 2026

Contact: Thomas Greci, General Manager, (559) 673-3514

MADERA IRRIGATION DISTRICT WILL BEGIN ITS WATER SEASON

The Madera Irrigation District (MID or District) water season will begin May 4, 2026, depending on location. At a meeting held on April 21, 2026 the rate was set to \$110 per acre foot for Original District landowners and \$220 per acre foot for Subordinate landowners. These rates may be reviewed and adjusted as conditions change throughout the year. With a current allocation of 100% Class 1 water MID expects a full water season, hopefully continuing into the beginning of August.

MID growers must fill out a Crop Water Application and order water prior to taking deliveries, the availability and timing will be location dependent. MID is accepting Crop Water Applications and water orders now. To sign up or to order water please contact the office at 559-673-3514 or at Madera Irrigation District, 12152 Road 28 ¼, Madera, CA. Crop Water Applications will be accepted via email and in-person.

The District would also like to remind growers that they can view their water usage and account balances online via WaterUI. If you need log-in assistance, please contact MID at 559-673-3514. For more information about MID, please visit www.madera-id.org.
